RECOMMENDATION:

THAT COUNCIL designate Chuck Proctor to be Administration's representative on the Canadian Badlands Shareholder Representative Committee.

REPORT SUMMARY

This report amends the current Administration representative from the Town of Strathmore on the Canadian Badlands Shareholder Representative Committee.

CHIEF ADMINISTRATIVE OFFICER'S COMMENTS

That Council accept the recommendation.

REPORT

BACKGROUND/CONTEXT

The Town of Strathmore currently has three representatives on the Canadian Badlands Shareholder Representative Committee, including two members of Council and a member from Administration. This report amends the Administration representative, as the current Administrative representative is no longer a full-time employee with the Town.

DISCUSSION

Chuck Proctor has recently taken on a new role with Economic Development, splitting his time evenly with Development Services and Economic Development. Based on his updated role, it is

suitable for him to be the new Town Administrative Representative, joining the two Council members.

CONCLUSION

It is important for the Town of Strathmore to be effectively represented on the Canadian Badlands Shareholder Representative Committee, to ensure the Town's needs are represented and considered during decision making processes. Chuck Proctor in his current role is recommended to be Administration's representative, accompanying two members of Council who currently sit on the committee.
